C2H2 zinc finger factors
Basic leucine zipper factors (bZIP)
Other C4 zinc finger−type factors
Unknown
Fork head/winged helix factors
Tryptophan cluster factors
Homeo domain factors
APSES−type DNA−binding domain
Heat shock factors
High−mobility group (HMG) domain factors
MADS box factors
Copper−fist DNA−binding domain
A.T hook factors
TEA domain factors
TATA−binding proteins
NDT80 domain factors
RING−type zinc finger
Heteromeric CCAAT−binding factors
Basic helix−loop−helix factors (bHLH)
